Payroll Solutions That Any Size Organization

HKA's EOR (Employer of Record) Funded Payroll is a unique solution within the industry. Whether you have a small workforce on one worksite or thousands of employees worldwide, you will see a cost-benefit from HKA's EOR. HKA will administer, and process your company's payroll for any or all of your employees.

A partnership with HKA provides flexible payroll solutions for worksite and office employees in a way that is best for the employee and the employer. HKA will design the right cash management solution for your working capital for additional benefits. In a customized model, your organization can outsource payroll without the stress of trying to manage payroll workflow costs.
